### Trans Tech Auto & Truck

Trans Tech Auto & Truck has been family-owned since 1981 and provides 24/7 automotive services and transmission repair. Some of the services offered include transmission repair, engine repair, brake repair, auto heating and air conditioning repair and fuel system care, according to its website.

Trans Tech Auto & Truck is also an affiliate member of the Automatic Transmission Rebuilder Association.

“As a member of ATRA, we uphold the highest standards and adhere to the code of ethics outlined within the organization’s guidelines,” the Trans Tech Auto & Truck website states. “Under the code of ethics, Trans Tech Auto and Truck pledges to diagnose transmission problems for all of our local Colorado Springs customers in an honest and expert manner. In addition, we will never remove transmissions during repair unless absolutely necessary.”
